

Space Finders™

Park Manager and/or Park Owner:

The following form will be used to enter information in the next edition of the Space Finders™ directory. Space Finders™ allows parks to share their information with dealers, manufacturers, park managers, park owners, and numerous other businesses – for **FREE**.

 All items that have a key symbol next to them are *key* items that will not be published and are for in house use only. Space Finders™ will hopefully be able to update by e-mail at a later date. For the time being, we will need the forms mailed or faxed with a signature and date to insure accuracy.

Eventually we would like to include park maps and park agreements. If you would like this information to be included in future editions, please mail or e-mail clear copies to Space Finders™. For quality control purposes, this information cannot be faxed.

If your park is for sale and you would like this information shared with interested parties, please list the name and number of the person to contact. We have been solicited by individuals to purchase manufactured home communities and would be happy to pass your name and number along.

Please complete the following form and return it to Space Finders™. Separate forms must be completed for each park. Once your information is included in the directory you will receive ‘update’ forms every six months.
